

**St. Andrew's Christian School
Student Electronic Devices Permission Note
2020 School Year**

Dear Parents/Carers,

Electronic devices (included but not limited to: mobile phones; smart phones; Apple watch; ipad and tablets) are not permitted for use at the school. If an electronic device is brought to school for a legitimate reason, it must be left at Student Reception in a small pouch/pencil case as soon as the student arrives.

Under no circumstances are mobile phone calls or texts to be made, incoming calls received, photos/video taken etc by students at any time they are on the school grounds.

After devices are collected at the end of the day, they are not to be seen by staff or used by students whilst waiting for buses or parents/carers.

Urgent calls can be made by students at the school office. If you need to contact your child during school hours, staff can quickly locate your son/daughter.

If you wish your son/daughter to bring an electronic device to school please complete the permission note below and return it to Student Reception by Friday 7 February 2020. This is kept on file for the current school year.
