

ST. ANDREW'S CHRISTIAN SCHOOL GENERAL STATIONERY AND EQUIPMENT REQUIREMENTS YEARS 7 to 12 - 2024

The school will supply a school diary for all students.

The list below shows the stationery requirements for students in Years 7 to 12. The quantities are requirements for the whole year in an attempt to provide the list so that parents may take advantage of 'Back to School' specials which occur during January each year.

Notes:

- Where multiple exercise books are specified for a subject it is assumed that they will be used, for example, at a rate of one per term. Students do not need to bring them all to school all year, but keep the spares at home and bring them when others are full.
- The box next to each item is there for your convenience. You could tick it as you acquire the item or tick the ones for the subjects your student does so as to get an overall tally.
- See the **Specialty Subject Requirements** list for electives and items other than exercise books.
- There is a general stationery list and an exercise book list. Additionally, some subjects require specialty items. Some of these may be bought at normal outlets at competitive prices. Those that are noted as being available from the school have a price listed which is substantially lower than retail rates. **Please look at each list to ensure you have all the requirements.**

All secondary students should have the following items at all times, named where possible. This is the minimum requirement for each school day. As items are used or lost they will need to be replaced.

GENERAL STATIONERY LIST – ALL STUDENTS

- 1 school diary (supplied)
- 1 scientific calculator (Casio FX82au) \$40 at Student Reception
(Every student 7-12 needs this calculator)
