INTRODUCTION

St Andrew's Christian School New Uniform 2025+

The aims of the uniform at St. Andrew's Christian School are to:

- Promote a positive identity and belonging for students.
- Project a modern, thriving Christian private school.
- Be appropriate for the Grafton climate.
- Follow our guidelines for clothes and accessories regarding the health and safety of the students.

The School Locker is an Australian company who are uniform and apparel specialists dedicated to quality, value and service. The School Locker utilises a modern online store format with the convenience of home delivery. To enhance the online ordering process our school will have a sizing kit available, to check before ordering online.

The School Locker has Zip Pay and PayPal options available (fees may apply). For convenience, we will be having pop-up stalls at the beginning of the school year and at other times throughout the year.

Part of the enrolment process at St. Andrew's Christian School is the agreement that students will wear the full school uniform from when they leave home to when they return.

Please help us avoid uniform warnings and letters by having the correct items purchased for your child.

All uniform items are to be purchased through The School Locker <https://theschoollocker.com.au/schools>

In the future a selection of second-hand uniforms will be available to purchase at a reduced price from our second-hand uniform shop. The shop is open weekly during term time. Please refer to our website for opening times.

If your child is out of uniform on a day for any reason, please provide a note (primary) or jot a note in your child's diary (secondary), send an email or call Reception – this quickly helps us understand that you are aware that your child is out of uniform.

Repeated breaches of non-uniform compliance will be noted and dealt with appropriately.

For any uniform enquiries please contact Reception or uniforms@standrewscs.nsw.edu.au.

GENERAL

Please remember to label all uniform items with your child's name (particularly hats and jackets)

Year Coordinators will check the uniform each day. A uniform slip will be sent home to notify parents/carers of out of uniform. A formal letter will follow after three slips.

FREQUENTLY ASKED QUESTIONS

Do you sell the uniform from school?

The School Locker has online ordering and delivery to your home. In January and at other times of the year, The School Locker will visit the school for a pop-up shop to purchase directly from the shop. The school will keep a sizing rack on site for you to try clothing on to determine the correct size before ordering online. This will be available multiple times per week and by appointment.

The new uniform has black shorts/pants/skirts and culottes. Can I buy these from any store?

We understand that it is tempting to purchase these items somewhere other than The School Locker. We have embroidered STACS on the sides of these items as a part of the uniform. It is important to have the same black tone/style and pattern for uniformity.

Can I buy the black socks from any store?

All students are to wear black quarter crew socks every day. Grey and white socks will no longer be a part of the uniform. The quarter crew socks are to be purchased solely from The School Locker to provide uniformity.

Can I buy shoes at any store?

Yes, students must wear the appropriate shoes for school as long as they meet the requirements due to health and safety guidelines. They can be purchased from any store however The School Locker does sell shoes. Closed in and non-mesh shoes for formal days. Black sports shoes for sports days. In Secondary students may bring sports shoes that are not black to wear for sports lessons but must change back to leather/polishable shoes for other lessons.

Do the garments provide any sun protection?

Most of the garments in the new uniform have a Ultraviolet Protective Factor in the fabric.

Does my daughter have to wear the dress in Primary School?

The formal uniform for the Primary girls will be either the school dress or the skort/culotte and blouse.

What are the options for the Secondary girl's skirts?

The formal Years 7-10 girl's uniform has the option of wearing a skirt or a skort/culotte. Years 11-12 will have a formal skirt.

Can my daughter wear tights i.e. stockings in the winter time?

Girls are permitted to wear opaque (not see through) footed tights under their skort/skirt in winter time. Not yoga pants/footless leggings.

Is there a new school bag and library bag?

The current school bags and library bags will not be changing in the new uniform. These bags are available from reception at any time.

What do I do with the old uniform when we are finished with it?

When you no longer need the current uniform, it can be donated to the school and we will organise for the old uniform to be sent to where the uniform can be repurposed.

Do you sell second hand uniforms of the new uniform items?

In the future there will be a second-hand uniform shop for the new uniforms.

I have more questions, who do I ask?

Any questions about the new uniform can be directed to Reception or at the direct email address uniforms@standrewscs.nsw.edu.au .
